Introduction

A DJ is performing on a stage, illuminated by warm red and orange spotlights. The DJ is positioned behind a mixing console, wearing a dark t-shirt and dark pants. A large, bright white sign with the word "WISHES" in bold, sans-serif capital letters is projected onto a screen in the background. The stage is equipped with various pieces of audio equipment, including speakers, a laptop, and microphones. The overall atmosphere is vibrant and energetic, typical of a live music or DJ performance.
